

Resistencias de cámara estándar Mica

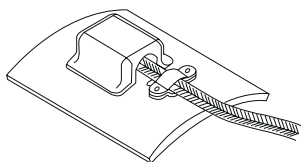

Características

- Cubierta opuesta al cierre
- Salida axial. 500mm de cable

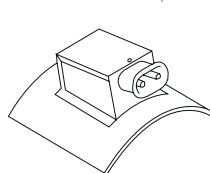

Fabricamos sus resistencias de Mica a medida sobre pedido.
Cualquier dimensión, cualquier tipo de salida.

Plazo de fabricación : 1 semana.

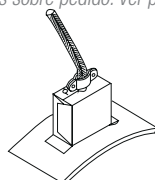

Salida estándar: Axial con trenza

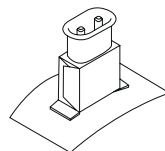

Otras salidas disponibles sobre pedido. Ver plano guía p. 23

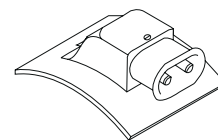

Axial con toma

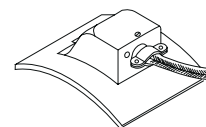

Radial con cable

Radial con toma

Tangencial con toma

Tangencial con cable
