

## Electronics and sensors | Cables and plugs

Connector cables M8, M12, 2 to 5-pin, material PUR

Connector cables M8, M12, 2 to 5-pin, material PUR

### Product notes

- > Electric connection of vacuum switches, sensors or ejectors
- > Weather- and abrasion-resistant

### Technical data

Item no.	Contact	Plug design	Cable length [mm]	Suitable for
20.503	Socket M8, 3-pin, open cable	Straight	2,000	Connection of sensors and sensor grippers
